```

## Output:

The screenshot displays a web browser window with a single tab titled 'AddExpense'. The address bar shows the file path: `C:/Users/Gowtham/Desktop/Praveen/Personal%20Expense%20Tracker/Project%20Development%20Phase/Sprint%201/Templates/addexpense.html`. The application has a dark green sidebar on the left with the title 'Personal Expense Tracker' and a house icon. The sidebar contains the following links: 'Home' with a house icon, 'Add Expense' with a plus icon (highlighted in a red box), 'Modify Expense' with a pencil icon, 'View Analysis' with a bar chart icon, and 'Rewards & Goals' with a crown icon. The main content area has a black background. At the top, it says 'Add expense' in white. Below this is a white modal box titled 'Expense Made' with a plus icon. The modal contains four input fields: 'Amount Spent: (Rs)' with the value '100.00', 'Expense Category:' (empty), 'Date of Expense:' with the placeholder 'dd-mm-yyyy' and a calendar icon, and 'Description of Expense:' (empty). At the bottom of the modal is a red 'Submit Expense' button.
